Happenings

Retirement party for Jim Breslin.

Who we are

Jim Breslin is our Button Bit Operation Supervisor and has been with B&L for almost 40 years.

Mike Brunner and Jim

Bauma 2019

With more than 620,000 visitors from over 200 countries, Bauma 2019, the world's leading trade fair for construction machinery, building material machines, mining machines, construction vehicles and construction equipment, generated the best results in the exhibition's 65-year history.

B&L displayed product in the U.S. Pavilion and had a very successful and lucrative show.

Ask Rocky:

What is the best tool for dowel hole drilling?

The **Whirlibit** is a carbide inserted chisel tip accessory tool designed by Brunner & Lay specifically for dowel hole drilling. Drilling hole size range from 1/2" to 1-1/2", with drilling depths made to your requirements. Whirlibits are available in both the **Shanked Steel Whirlibit** and the **C-9 Whirlibit**.
