

# Brunner & Lay

**ASK ABOUT NEW  
CAPS ARRIVING  
THIS FALL.**

## Happenings

**Broyles Foundation Scramble:**  
All proceeds go to support the Broyles Foundation's mission of supporting Alzheimer's caregivers nationwide.

## Who we are

B&L Golfers from Left:

Will Brunner - Vice President

Louie Lancaster - Assistant to the General Manager

Kyle Sullivan - Engineer

Shane Jimison - Marketing Director

The team had an awesome day of golf and fellowship supporting this great cause.

## Ask Rocky?

*How do I smooth an uneven floor?*

**Bushing Tools** are used to level or roughen uneven floors or walls prior to refinishing.

They are available in larger hex shank sizes or smaller USN configurations depending on the work entailed. Carbide inserts are a more rugged option for more difficult tasks.

## Intermat Asia

INTERMAT ASEAN, September 5-7 is the platform for the building and construction industry to do business and to focus on the industry's 4 main clusters of expertise: Earthmoving & Demolition, Building Industry, Lifting, Handling & Transportation and Roads, Minerals & Foundations. It provides visitors the opportunity to explore the latest trends and to source products to help grow their business. The trade exhibition brings together 300+ leading companies and brands in a strategic location – Bangkok, Thailand.

Diego Chang, export sales and David Bullifent, general manager will be manning the booth and fielding all inquiries that arise.
